Dedication to

Ms. Karen Myers

The Class of 2003 dedicates this yearbook to Ms. Karen Myers. Ms. Myers is a 1968 graduate of Fisher College and a shining example to the rest of us. In 2002, she was chosen as Outstanding Alumna of the Year. She has been on the faculty since 1986 and is the Chairperson of the Career and Professional Programs.

The photos on this page show Ms. Myers with students because, with her, students come first. She is a much-loved teacher who is dedicated to her students' welfare both in and out of the classroom. As one person said, "If you have problems with the work, she will be there to help. She stays on your side all semester, and the rest of your time at Fisher." It is obvious to all that she loves to teach. Her enthusiasm and dynamic delivery are well-known.

Ms. Myers is always busy. Her arms are full of papers, folders, and proposals. Nevertheless, when you greet her on the stairs in 118, she smiles, stops, and sincerely asks how you are.

We are pleased to recognize Ms. Myers with this honor. She is a wonderful and committed individual who exemplifies the best of Fisher College.

President's Message

To the Class of 2003

One hundred years ago when Fisher College was founded, our “community” of 13 new students were close neighbors with very restricted opportunity and breadth of knowledge. Our College sought to broaden their experience and understanding so that they might embrace other communities of thought, experience, and competencies.

One hundred years later, Fisher College hosts students and alumni from each state in the Union, dozens of foreign countries, all ethnic groups, all races, all religions. The College provides a sophisticated array of courses and programs to address a wide range of professional goals. Still, the mission of the College is to broaden student experience and knowledge to best meet the challenges of life. That this is done successfully is borne out by the records of accomplishments by graduates throughout the world.

Many people have dedicated their professional lives to your welfare; teachers, administrators, and staff. Fisher College alumni have paved the road ahead of you to give guidance and a warm introduction for new graduates as they seek their fortunes. As you become alumni, you join this very formidable group that has provided achievements to better themselves, their families, and their associates in the “community” of their lives. We thank you for sharing important time in your life with Fisher College and extend our best wishes for wonderful, happy, and gratifying years ahead.

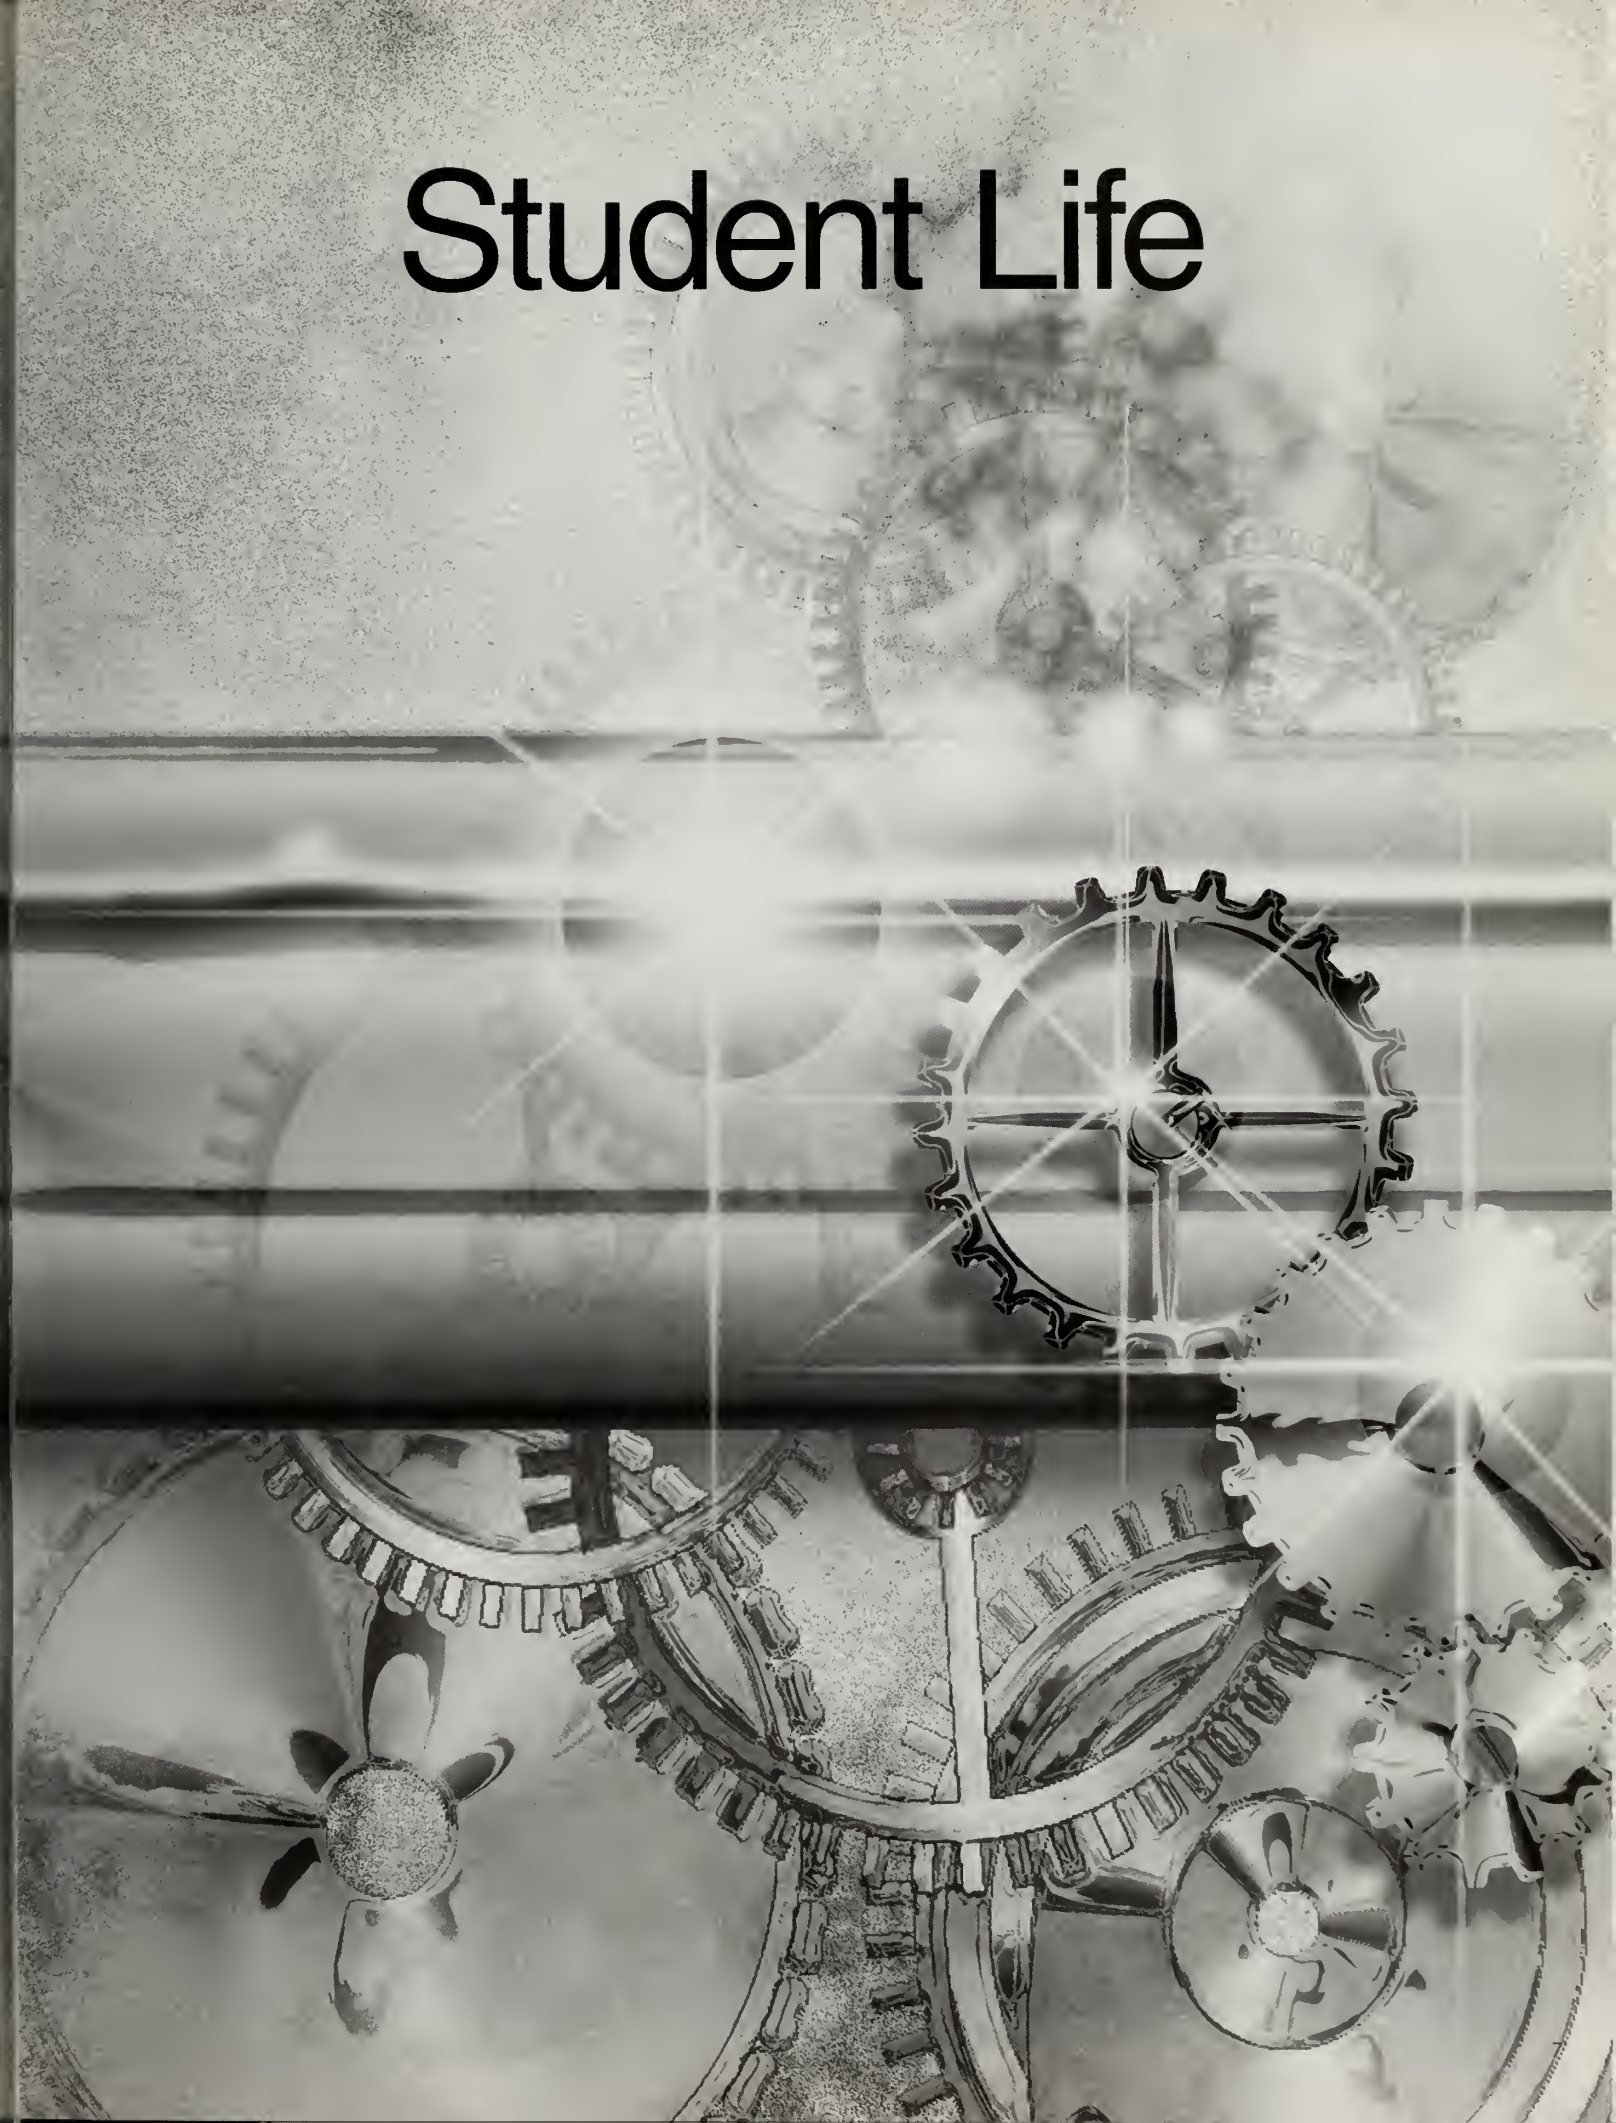

Sincerely,
Scott A. Fisher
Interim President

The Board of Trustees is pleased to announce the appointment of Dr. Charles C. Perkins as the seventh president of Fisher College. Dr. Perkins begins his presidency in the spring term 2003.

Women's Resource Center

The Women's Resource Center (WRC) celebrated the 5th National **Love Your Body Day** on Wednesday, October 16, 2002. As part of an ongoing information campaign as well as a national day of action and celebration, **Love Your Body Day** was designated as a day to speak out against advertisements and images of women that are harmful, offensive, disrespectful, and demeaning. **Love Your Body Day** was also a day of celebration; a day to stop also internalizing all the negative images that bombard us and, instead, to focus on positive ideas - to love our bodies, to nourish our minds, and celebrate our differences.

In celebration of **Love Your Body Day**, we held a House Party in the WRC where we showed films addressing the issue of body image, had some healthy and fun snacks, and discussed the importance of educating ourselves and our community about these issues.

HONORS STUDENTS

The mission and goals of the Honors Program at Fisher College include offering increased academic challenge to exceptional students who have excelled during their high school years and want to continue to be involved in an academic experience that helps them mature intellectually.

The Honors Program is designed to provide students with small classes where stimulating discussion; interaction with other students; and pursuit of knowledge through reading, writing, questing, critical thinking and research leads to a more challenging and rewarding academic experience.

The background is a light yellow surface. Scattered across it are several squares of various colors: red, pink, light blue, dark blue, green, purple, teal, and orange. Many of these squares feature a starburst or sun-like shape in the center. The starbursts are in contrasting colors: yellow on red, pink, and light blue squares; yellow on dark blue and purple squares; yellow on a green square; dark blue on a red square; and green on a purple square. Some starbursts are also placed on the yellow background without a square behind them, in colors like purple, red, pink, and green. The word "SENIORS" is printed in a bold, black, sans-serif font on a white rectangular background, which is itself placed over the yellow background.

Special Events

The Boston Harbor Cruise

This event was part of the fall orientation, it gave a chance for new students to mingle and get to know one another and form friendships. With the catering by Aramark and the DJ from Metrobest Entertainment, the eating and the dancing on the dance floor made this moment a memorable one for the years to come.

Remembering September 11th

To commemorate those affected by the terrorist attacks against America last year, we held a candlelight vigil on the evening of September 11, 2002. The Fisher Community came together outdoors at the school. Waving flags and lighting candles, we remembered those who have suffered.

INTERNATIONAL DINNER

The International Student Club holds an international dinner every last Tuesday of the month. The main purpose of this dinner is to introduce international students to different cultures in the U.S. The first dinner was held on the 24 of September at the Hard Rock Cafe. Everyone enjoyed typical American food and had lively discussions on the different everyday customs of various cultures.

Family and Friends Weekend

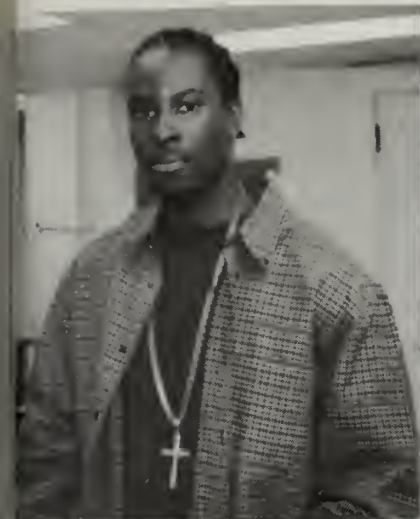

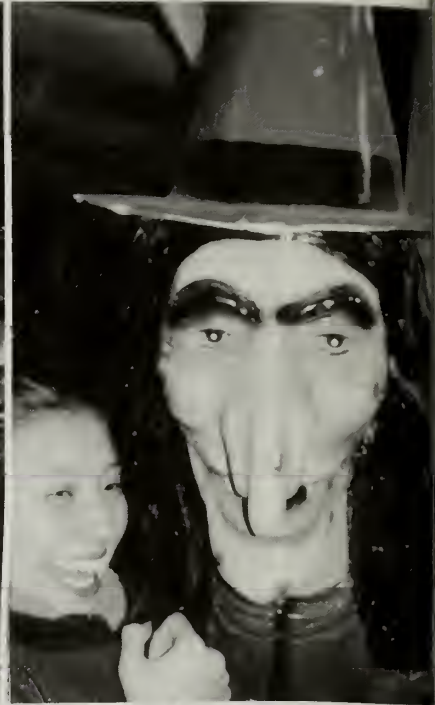

FISHER

Family and Friends Weekend was a time to ask relatives and good friends to visit the campus. Visitors were invited to meals, Boston trolley tours, and a bus trip to the Wrentham Outlet Shops. It was a beautiful October weekend to spend in this amazing city.

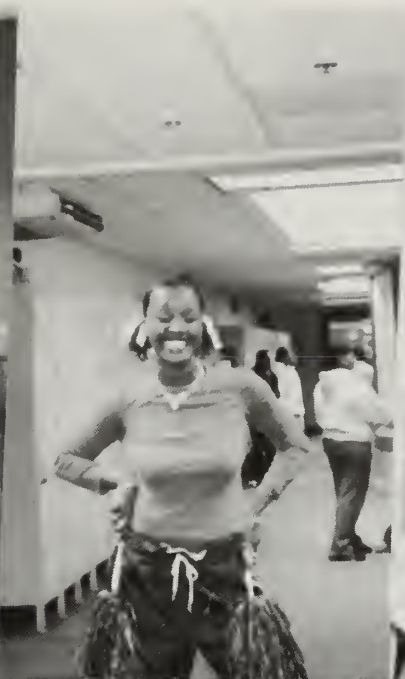

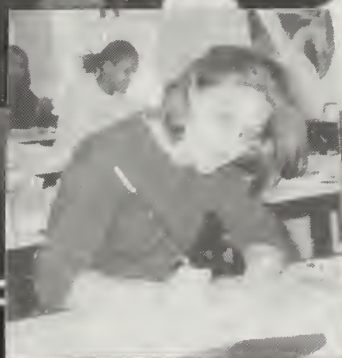

Fashion Department NYC Trip

Every fall the Fashion Merchandising and Design Departments take an exciting field trip to visit the fashion world of NYC. This year Department Director Terry Howe and her students toured five businesses on their whirlwind trip. These included Overseas Publishers Representatives, a large source of fashion information. They also toured two showrooms, Barry Bricken and DK Display. The students were given a demonstrations of CAD software at Lectra Sustems. The inspiring day ended at the F.I.T Gallery with a tour of Designer Arnold Scaasi's exuberant clothing collection.

Fall Student Recognition Banquet

The following students were honored at the Fall Recognition Banquet for being on the Dean's List in Spring 2002:

Rie Ando, Ifesinachi O. Anosike, Michele D. Bilodeau, Kathryn E. Brandy, Claudia B. Cardone, Lisa I. Chy, Francesca Cornelio, Rachel Cummings, Megan Dickinson, Anthony S. Dowe, Colleen M.
